Background and Experience

Please briefly present the partner organisation.

THE ORGANISATION HAS BEEN REGISTERED in 2018 and the objectives are the promotion of education in talent and creativity as basic for changes and a new approach to job market and to personal growth. To promote it, the association operates in field of education, trainings and European projects. TNC is born after the growth of TIA Formazione, another association that has deepened many topics connected with education, entrepreneurship through European projects and trainings. The association does not pursue profit-making purposes and has exclusively cultural, civic, solidarity and social utility purposes.

For the achievement and implementation of these goals, the Association will implement the following activities of general interest that will focus on the enhancement of talent and creativity through :

- the promotion and organization of educational, educational and professional training activities, according to the law 28 March 2003, n. 53, and subsequent amendments, as well as cultural activities of social interest with educational purposes;
 - The organisation, promotion and management of school-work alternation programmes at regional, national, European and international level;
 - interventions and services aimed at safeguarding and improving the conditions of the environment and the prudent and rational use of natural resources;
 - extra-curricular training, aimed at the prevention of early school leaving and school and training success, the prevention of bullying and the fight against educational poverty;
 - organization, management and development of initiatives aimed at entrepreneurship education;
 - services aimed at the integration or reintegration into the labour market of workers and persons referred to in Article 2(4) of the legislative decree revising the rules on social enterprises, referred to in Article 1(2)(c) of Law 106 of 6 June 2016;
 - humanitarian reception and social integration of migrants;
 - charity, distance support, provision of money, goods or services in support of disadvantaged people;
 - promotion of a culture of legality, peace among peoples, non-violence and unarmed defence;
- promotion of European policies through the creation of European networks and participation in existing networks, as well as through participation in the funding programmes of its various institutions;
- promotion and protection of human, civil, social and political rights, as well as the rights of consumers and users of the activities of general interest referred to in this Article, promotion of equal opportunities and mutual assistance initiatives;

- development of any other initiatives and activities likely to achieve the purpose of association;
- activities other than those referred to in this article exclusively secondary and instrumental to the above activities and in any case in compliance with the limits of the law;
- education to entrepreneurship;
- activities of organization of hosting and incoming for projects VET ERASMUS+ with companies for work school alternation programs.

The implementation and development of the activities listed above will be done through the organization of conferences, seminars, courses, events of other kinds, at national and international level, individually and / or in partnership with other public and / or private bodies, and any other useful way to achieve the purposes set out above. They will also be implemented mainly with the help of its members.

Sport as means of social inclusion and integration is one of the main objectives of the association.

What are the activities and experience of the organisation in the areas relevant for this application?

Activities in Vet projects and Youth projects. The objective is to help youth to be aware of their own skills and attitudes, to invest in their own skills and to improve through several kind of activities including sport and wellness. The background idea is to help them to connect their passion with their professional activities to improve their self esteem becoming more confident and centered.
